

BUDGET SAFETY CUTTER

A53

AUTO RETRACT TECHNOLOGY

Code: A53

A53- Budget Safety Knife is a popular tool that features auto retractable blade mechanism. It allows the heavy-duty utility blade to automatically retract into the knife after cutting. A53 has universal application and meets the industry requirements for the use of safety knives to reduce the risk of workplace accidents.

A53 Budget Safety Cutter

- Side slide retracting knife with metal insert for stability and strength
- Blade automatically retracts after cutting to prevent accidents
- Easy to change blade, no tools required
- Lanyard key-ring hole is designed not to go in your pocket
- Suitable for left and right handed users

How it works:

1. Push forward blade slider to extend blade

2. Release blade slider while cutting.

3. Blade automatically retracts after cutting. This helps to reduce the risk of injuries.

APPLICATION:

✓ Cartons	✓ Tape Boxes	✓ Strapping
✓ General Maintenance	✓ Stretch Film	✓ Bubble Wrap
