

DUAL ACTION SAFETY KNIFE

A59

The A59 Dual Action Safety Knife helps to reduce the risk of having injuries when the knife slips accidentally or when the user forget to take their thumbs off the blade slider. Smart auto retract technology also prevents blade accidentally protruding in your pocket. Light weight and ambidextrous. This is a popular knife in Australia.

A59 Dual Action Safety Knife

- Dual action safety knife
- Blade safely retracts, even when the thumb is left on the blade slider
- Ambidextrous and lightweight
- Ergonomic rubber grip
- Easy to change blade, no tools required

How it works:

1. Push forward blade slider to extend blade

2. Begin cutting while thumb is still on the blade slider

3. Blade automatically retracts after cutting finished, even when thumb is left on blade slider
