155mm

The Diplomat A77 Auto Retract Safety Knife is designed with a ceramic blade that increases safety while also lasting longer than traditional metal blades, which enhances durability and sharpness. This ceramic blade is rustproof, non-conductive and non-sparking. The safetyfocused design includes an automatic retraction feature to minimise injuries and protect items from damage.

Features & Benefits

- Safe-to-touch ceraminc blade prevents injuries
- Ceramic blade is harder and lasts longer than a standard metal blade
- Lightweight and durable construction
- Spring-loaded blade automatically retracts when slider is released
- Long slender handle that is easy to grip and comfortable to use
- Reversible blade offering double blade life
- Suitable for left and right hand use
- Lanyard hole for easy access
- Ideal for various industries and applications including art & craft
