

The Metal Squeeze Knife puts safety first with a dual action auto-retractable blade that reduces the chance of injury. The metal body makes it ready for heavy-duty work but still light and comfortable to hold. Suits all standard utility blades.

Simply **squeeze** and cut!

Suitable applications and blades:

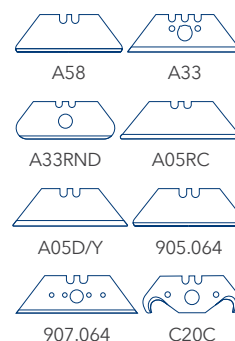

Cardboard

Strapping

Plastic film

Tape

Bubble wrap

- Ergonomically designed squeeze action handle
- Easy to change blade, no tools required
- Lanyard keyhole for easy attachment/storage
- Rubberised grip for control
- Auto retracting blade for optimum safety
