Cutting Safety

45° ANGLE

LESS FORCE = EASIER WORK = LESS RISK OF INJURY

- Always cut in a 45° angle for an easier and safer cutting experience.
- When cutting corrugated cardboard, tilt the knife slightly sideways to reduce necessary force.
- Ensure that films and tapes are always taught before cutting them. The blade will cut your material better.
- Always cut away from your body

Signs of Wear & Tear

- Worn, gouged or chipped guard
- Worn tip
- Worn, dull or chipped blade
- Requires more force to cut
- Creates jagged cuts

MAINTAIN YOUR CUTTING SPEED & REPLACE BLADE HEAD WHEN WORN

KLEVER

Safety Concealed Cutter Two Sided Narrow Head

ECO X-CHANGE KLEVER

The KLEVER ECO X-CHANGE features a stable and ergonomic grip with multiple support surfaces for your thumb. The reusable knife handle is made from 100% pre-consumer recycled plastic and comes with an integrated tape splitter and practical lanyard eyelet. The double blade head makes the knife particularly economical. "Keep the handle, replace the head!" The blades are concealed to protect the user and material, plus the blade heads are very easy to replace with the easy release locking tab. The KLEVER ECO X-CHANGE is ideal for up to 1.5x wall corrugated cardboard, strapping, adhesive tape, string, bagged goods, felt, textiles, etc. Can also be combined with any of our four replacement blades heads.

Features & Benefits

- Reusable handle is made from 100% recycled material
- Mix and match various narrow and wide interchangeable blade heads to create the perfect tool for each substrate
- Recessed blade reduces cut injuries and damaged goods.
- Disposable and ambidextrous
- Easy release locking tab releases replaceable blade heads
- Small, convenient, and durable with high quality carbon steel blade
- Integrated handle-mounted metal tape splitter preserves blade life
- Cuts boxes, film, tape, and many more applications.

Mounted Blade Head

Interchangeable Replacement Heads

KLEVER X-HEADS
KLEEN - Narrow head, ideal for cutting thinner materials

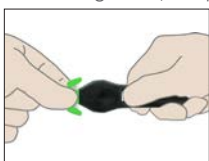

KLEVER DX-HEADS
MP KLEEN - Multipurpose wide head, ideal for cutting thicker substrates

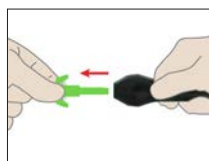

KLEVER XD DX-HEADS KLEEN
- Extra durable head, ideal for cutting thicker substrates and engineered to be 50% stronger and last 4x longer

"Keep the handle, replace the head!"

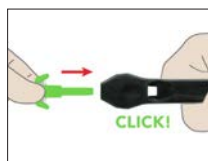

Interchangeable, snap-in heads built for the entire line of KLEVER ECO X-CHANGE safety cutters.

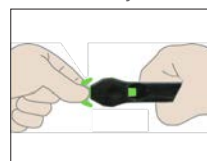

Grasp the head guard and handle firmly while pressing thumb down on the locking tab.

Pull the head from the handle.

Important: Insert the new head until the locking tab clicks in place. The head should NOT pull back out without depressing the locking tab.

Product Details

Code: KLEVER ECO X-CHANGE

Barcode Number: 0810059873377

Technical

MATERIAL Recycled plastic, Carbon steel

DIMENSIONS L:165mm, W:7mm, H:35mm

WEIGHT 21 grams

Packaging

SELL PACK QTY 1 unit

INNER QTY 10 units

INNER DIMENSIONS Bag

INNER WEIGHT 0.2 kg

OUTER QTY 100 units
