OLFA Heavy Duty Snap Blades 50

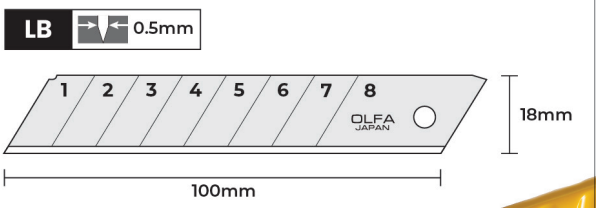

18mm blades in safety case

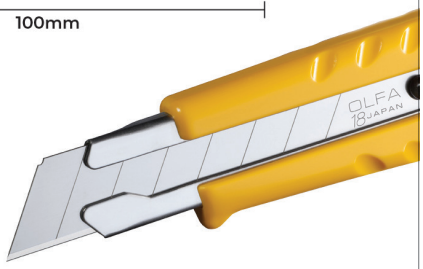

LB50

OLFA **LB50** (Tube) 18mm Heavy Duty Snap-Off Blades (Silver) are reliable and exceptionally sharp, ensuring consistent cutting performance. Made from premium carbon-tool steel, these blades offer exceptional edge retention and sharpness. Each blade features eight segments with deep-notched grooves, allowing for effortless snapping to reveal a fresh edge when needed. The heat-treated steel ensures durability, making them ideal for demanding tasks. These 18mm blades fit most standard 18mm knives, providing versatility for various cutting applications. Each pack comes in a plastic storage case for convenience.

Features

- Heavy-duty and sharp for consistent performance
- Made from premium carbon-tool steel
- Eight snap-off segments for extended use
- Deep-notched grooves for easy snapping
- Heat-treated for durability and strength
- A quick snap reveals a fresh, sharp edge
- Made in Japan

Applications

Ideal for versatile cutting; carpet, cardboard/corrugate, drywall, films, flexible plastics, gaskets, house wrap, landscape fabrics, linoleum, plastic sheeting, plastic straps, shingles, shrinkwrap, tape, twine/rope and more.

Compatibility

Fits most 18mm snap cutters

Related Products

OLFA **DC-7** Blade Disposal Case - Designed for professional use and perfectly sized to fit in a waist bag/bag pocket. With the easy-to-insert arched blade snapping slit, the blade can be snapped off smoothly and freely. By sliding down the blade along the slope, the blade can be inserted safely. It safely stores used blade segments, enhancing safety and efficiency on work-places. The main body is acetone resistant. Compatible with OLFA 18mm, 12.5mm & 9mm.
