## Squeeze Action Trigger

# SQUEEZE S2-H

Blade automatically retracts after cutting even when holding squeeze trigger

Non-holster Pack Sold Separately SQUEEZE S2

The Diplomat SQUEEZE S2-H Smart Retract Safety Knife with Holster features smart auto-retract technology. It automatically retracts the blade after each cut without the user needing to release the squeeze trigger. Featuring a sturdy holster and lanyard for added security and constructed from lightweight, durable plastic, this safety knife is popular among workers who require a reliable and safe cutting solution.

### Features & Benefits

- Holster and lanyard for secure handling and convenient storage
- Comfortable squeeze action trigger handle preventing hand fatigue
- Blade automatically retracts after cutting without releasing the squeeze action trigger
- Easy to change blade, no tools required
- Lightweight and durable plastic housing with comfortable rubber grip
- Blade lock button to prevent action handle and blade from moving and accidentally protruding
- Suitable for left and right hand use

### Replacement Blades

### Instructions for changing blades

2. Carefully remove front cap to show blade

2. Squeeze trigger to extend blade

3. Remove and rotate the blade if needed or replace with new blade

4. Carefully place the blade into position

5. Release the squeeze action handle to retract blade back into position

6. Carefully place the front cap to start cutting
