

8" ARM GUARD AG8TW

NEEDLESTICK

HexArmor® sets the industry standard for needle protection with innovative solutions for a variety of applications. This unique product is engineered to provide the highest levels of needle and cut protection available on the market. All HexArmor® products are engineered to provide users with the highest levels of protection in areas where risk is the greatest.

Experience the Science of Safety™ that has helped reduce injuries and lower PPE costs in the harshest work environments.

FEATURES:

- Highest needlestick-resistance available provided by the layering of SuperFabric® brand material— Tested using actual 25 gauge needles (modified ASTM 1342–05 test)
- Highest level of cut-resistance on noted enhanced areas— Exceeds ISEA/CE Level 5
- Won't fall down like knit sleeves, lightweight and cooler than knit or leather alternatives
- Lasts 13 times longer than competitive sleeves
- Spandex wrist insert with thumb hole, snap fasteners
- Launderable

PRODUCT USES:

- Waste/recycle sorting
- Hospital waste handling
- Laundry and linen
- Wastewater/sewage treatment
- Municipality work
